

EOCCO Community Forums on Chronic Non-cancer Pain Management

Coming winter and spring 2017, EOCCO will be offering Provider and Community Forums on chronic non-cancer pain management and alternative treatment options in four communities throughout eastern Oregon.

The Community Forums are intended for patients, family members, and other interested community members. Each forum will cover the same topics and will include the opportunity to learn and connect, raffle prizes, and **free refreshments**.

Sign up today! Click on one of the following locations that you would like to attend. Each community member who attends should complete the registration link. Please contact Briona Campbell at briona.campbell@modahealth.com or 503-952-5010 with any questions or concerns.

When and Where:

[Hermiston](#)

Thursday, January 26, 2017 from 6:30-9:00 p.m.
