

Dear Member,

We want you to know about a change in your network.

The State needs prescribers to register with them, so they can serve our members. They also need pharmacies to register. Your prescriber is not registered with the State.

**Your pharmacy can not give you medication. They need to register with the State.
You must choose a new prescriber to get your medication.**

If you have any questions, please call us at 888-474-8539. TTY users, please call 711.

Sincerely,

Your EOCCO Customer Service team
