# Guest Testimonial

“Its nice to have a place to stay, where I don't have to worry about going back out in the cold”

What was something new he discovered about himself since getting into housing?

“I really like to bake and I made peanut butter cookies the other day”.

# Community Capacity Building Funds

NEON was recently awarded Community Capacity Building Funds to help us with startup infrastructure and staffing to become a provider of Health and Social Needs Benefits with EOCCO

# Future HRSN Benefits

We plan to start offering the new HRSN housing benefits this winter in partnership with EOCCO.

In the future, we plan to serve as a hub for other organizations, working to get benefits to their clients and sharing funding, including payments for Traditional Health Workers.
